In the carpark

Electric vehicles display and rides.
Talks by members of the **Tesla Owners Club Australia (TOCA)** and the **Australian Electric Vehicle Association (AEVA)**

In the Daphne Line Hall

One-on-one consultations with home energy experts. Appointments can be made on the day.

Upstairs balcony

Induction cooking display and tastings with Asian Australians for Climate Solutions.

Upstairs balcony & in the carpark

Exhibitor stalls: Talk to the experts about the cost and installation of solar panels, heat pumps, home batteries and electric vehicle chargers.

On the Red Carpet

Great coffee available from our baristas from the Blacksmith Coffee Roasters. They roast their own coffee beans as well as make delicious toasties.

Kids' Corner

Fun for young ones in our Kids' Corner. Face painting, craft activities and a playground on site.
